## City Tournament MINORS Rules Clarification

**City Tournament rules and Green Book regular season rules apply in all games. Local Rules DO NOT APPLY.**

1. **Regular season 5 run rule Will Apply to tournament games.** When a team has scored (5) runs in its half inning or batted one time through the lineup, (3) offensive players shall be deemed to have been legally put out. That team shall then take the field and the opposing team becomes the offensive team (Rule 5.07). Exception: there will be no run limit in the last (6<sup>th</sup>) inning. Half innings in the 6<sup>th</sup> will continue until 3 offensive players have been deemed to have been legally put out or the offensive team has batted one time through the lineup.
2. Green Book 4.10 (e) mercy rule (8 runs after 5 innings or 4 ½ for home team, 10 runs after 4 innings or 3 ½ for home team and 15 runs after 3 innings or 2 ½ for home team) will be in effect.
3. Games will NOT have any time limits. Play according to Green Book rules 4.10, 4.11 & 4.12. If a winner cannot be determined (i.e the game was tied before becoming a regulation game and must be continued), then the game will continue the next day at 5pm to declare a winner. Saturday games will continue until a winner is determined. Note, this may delay the start of any following game.
4. No half-inning may end with an "Intentional Walk" (Rule 6.08 (a) (2)).
5. The home team in the winner's bracket will be determined by seed. The home team in the consolation bracket will be the team that entered the consolation bracket in the latest round. If two teams enter the consolation bracket in the same round, the home team will be the team with the better seed. In the initial championship game, the undefeated team in the tournament will be home, if a second championship game is played, the home team will be determined by a coin flip.
6. Regular season rule of the home team having field duty does not apply to tournament games. BOTH home and visitor must provide at least one representative to assist with field duty.
7. Third place will be the loser of the last game in the consolation bracket.
8. Pool Player will not be utilized during the City Tournament. Per Green Book Rule 4.16 (a), teams with only 11 rostered players may start a game with eight (8) players.
9. Substitute players will play alternate innings in the field. No player will sit out more than one inning in a row.
10. A continuous batting order will be in effect.
11. The one-foot in batter's box will not be in effect.
12. The dropped third strike rule does not apply
13. All play must end at 9:25pm and continued to the following day, if necessary.
14. If a protest is made, the game should be temporarily suspended, and best efforts should be made to resolve the protests through the "Board Member on Duty." If the protest is unable to be resolved, then the game will continue to be played under protest (normal protest procedures). Should a protest not be upheld the protesting manager or acting manager shall be fined \$100 and will be expected to deliver that fine to one of the members of the protest committee within 5 calendar days.

### **A few reminders:**

1. Pitch count rules remain in effect for tournament play. Be aware of Green book rules for pitchers.
2. Make sure you are familiar with the Green Book mercy rule as this was not in effect for the regular season but will be in effect for tournament play.
3. When managers meet with the umpire before the game, please be sure they know any revised rules for the tournament.
4. Home team is official scorekeeper. Visitor is the official pitch counter. Either team controls the scoreboard/pitch counter.

5. HOME team reports the score. Please do this the *same day* so the brackets can be updated. Either/both team(s) can submit game highlights.
6. Please ask your parents to clean up after themselves and keep the stands and surrounding areas clean. This seems to be an ongoing issue.
7. Remind parents of the CLL Code of Conduct. This does not just apply to parents, but to anyone in attendance watching a game.
